

## Invisalign® In The Real World

Presented by: Dr Thomas Marcel, DDS, MS

A **FREE** Continuing Education Presentation for Hygienists

**2 CE units**

Please come and join us for this **Fun, Interactive Invisalign** presentation specifically designed for the **RDH**. This is an opportunity to network with your peers, learn more about Invisalign and go home with helpful tips. Topics to be covered include...

- ◆ The Invisalign Process
- ◆ What your patients can expect from Invisalign
- ◆ Dental health benefits of ortho before restorative work
- ◆ Recognizing easy, challenging and interdisciplinary Invisalign cases

**WHEN: Thursday, July 31st, 2008 from 5:30pm-7:30pm**

**WHERE: Dr Thomas Marcel's Office**

**2084 Fourth Street,**

**Livermore, CA 94550 Tel: (925) 447-7799**

**\*\* Food & Refreshments will be served from 5:00 – 5:30 pm \*\***

There is no cost to attend this presentation; however space is limited so please call to reserve your spot today.
